Here lies:  
 An upright man who was able in every respect.  
 He was God fearing, and observed the commandments.  
 He brought up his children to follow the right path  
 and dealt with them correctly.  
 Torah was his main interest in life.  
 Because of what he accomplished through mitzvahs he will  
 stand in our good stead.  
 The days of his life numbered 88 years.
